

FINAL REPORT

K5 HOUSE RENOVATION PROJECT

REPORTED NOVEMBER 2020

K5 BATHROOM AND TOILET AREA RENOVATION

The Project started in beginning of July 2020. The project start with fixing the corner foundation of the wall. It took longer than planned as it is vital to the building. The project took 4 months to finished. It ended at the end of October 2020.

Below you will see pictures of the renovation before and after the project
